When you were young and your heart was an open  
book,

You used to say live and let live.

(You know you did, you know you did, you know you  
did)

But if this ever-changing world in which we live in

Makes you give in and cry,

Say live and let die!

Live and let die,

Live and let die,

Live and let die.

What does it matter to ya,

When you've got a job to do you gotta do it well,

You gotta give the other fellow hell!

You used to say live and let live.

(You know you did, you know you did, you know you  
did)

But if this ever-changing world in which we live in

Makes you give in and cry,

Say live and let die!

Live and let die,

Live and let die,

Live and let die.
