I know how to hurt

I know how to heal

I know what to show

And what to conceal

I know when to talk

And I know when to touch

No one ever died, from wanting too much

The World is Not Enough

But it is such a perfect place to start my love

And if you're strong enough,

Together we can take the world apart my love

We know when to kiss

And we know when to kill

If we can't have it all

Then nobody will

The World is Not Enough

But it is such a perfect place to start my love

And if you're strong enough,

Together we can take the world apart my love

I feel safe

I feel scared

I feel ready

And yet where we've been,

The World is Not Enough

The World is Not Enough

No nowhere near enough

The World is Not Enough
