"Stuck With Me"

Visit "[Stuck With Me](#)" on MotoLyrics.com

Time and time again you told me just how much

You feel about me

Over and over you kept telling me sooner or later

Everyone has to die

--Chorus--

--Speeds up--

You kept on tellin me How much you love me

You kept on tellin me How much you love me

And how I'll never change your stuck with me

And how I'll never change Your stuck with me

YOUR STUCK WITH ME (Yell)

And i'm alone, Sitting there

In the dark, in the park

I lost my heart, lost me

---end chorus--

--after bridge--

Sobbing lightly, Holding you tightly, I'm never gunna
leave you

(repeat)

I'm sorry for what yOu've been through,

I'M SORRY FOR WHAT YOU'VE BEEN THROUGH (yell)

--end bridge--

(whisper and voice)

I lay you down and tuck you in, i close my eyes and
begin to cry

How lucky am i to have you... in my LIFE(yell)

(Chorus + Bridge)
