Do I have any spare time?  
Yes I keep it in the back.  
But you can't have it, no on no  
It's all in the past!

I try to keep myself to right,  
If I can fight my conscience.  
I didnt mean for this to happen,  
I think I lost my patience.

What's left for me?  
What's left for me?

You think that I should get a life!  
OK, But what's the point.  
Another thing for me to fuck,  
Another thing to throw away.

I try to keep myself to right,  
If I can fight my conscience.  
I didnt mean for this to happen,  
I think I lost my patience.

What's left for me?  
What's left for me?

I try to keep myself to right,  
If I can fight my conscience.  
I didnt mean for this to happen,  
I think I lost my patience.

What's left for me?  
What's left for me?

What's left for me?  
What's left for me?  
What's left for me?  
What's left for me?
