I got bones  
You got bones  
They got bones  
She got bones  
He got bones  
Everybody here got bones

(Instrumental part)

I know where the bones are buried  
Heard it from the horse's mouth  
And the bones are buried in a freeway heading down  
the  
South

Staking out the hotel  
Making with the hard sell  
Trying to nail a dollar down  
Burn up in a fire ball  
Trying to do the stonewall  
Ain't nobody else around

I know where the bones are buried  
Heard it on the Isle of Wight  
And the bones are buried on the television every night

Bones  
I got bones  
You got bones  
They got bones  
She got bones  
He got bones  
Everybody here got bones

Bones  
I got bones  
Bones  
You got bones  
Bones  
She got bones  
Bones

He got bones  
Bones  
Bones...
