Need Your Body

Bone Brothers (aka Layzie Bone and Bizzy Bone)
featuring Krayzie Bone

-Intro-(Sampled vocals from the) Isley Brothers-

If you ever wanna meet someone/ I forever wanna be
the only one, in your life/ I need your body, (Oh baby) I
need your body/ (Oh darlin) If you ever wanna meet
someone/ I forever wanna be the only one, in your life/ I
need your body (Yea...)

-Krayzie Bone-

Now I'd done been around the planet with plenty
women/ But I never met one like you/ You suit me, ooo/
Nobody can do me like you do/ We hang out, we get
high, you roll my blunts up fo' me/ I'm feeling you girl,
but I know we just homies/ But your the kind of girl,
that'll make a nigga wanna be down/ The type of girl I
need to be around/ Not like them other groupie bitches
on my dick for money/ I can see it in your eyes, your
shit is genuine/ And we ain't even togetha (Whateva)/
But if ya lookin for a chill nigga, hook up wit a real
nigga/ It's guaranteed that if ya fuck wit Kray (Fuck wit
Kray)/ Ya neva eva wanna go away (Go away)/ So if ya
lookin fo a nigga that can hit it and stay in it/ Neva quit
it, make ya feel it/ When I split it, I'mma dent it, dent it,
then you'd be happy wit a thug like me/ Them chumps
don't love like me/ Girl, they can't fuck like me, like me

-(Sampled vocals from the) Isley Brothers with Krayzie
Bone-Chorus-

If you ever wanna meet someone (Meet someone)/ I
forever wanna be the only one, in your life (In your life)/
I need your body (Oh baby), I need your body/ (Oh
darlin) If you ever wanna meet someone (Meet
someone)/ I forever wanna be the only one, in your life
(In your life)/ I need your body, I need your body

-Layzie Bone-

Hey pretty lady, I've been thinkin about you constantly/
The way you put it on me/ Girl you really did drop tha
bomb on me/ Yous a freak and I'm a freak/ And I'm
thinkin thats how its supposed to be/ It's already been
writtin girl supposed to be here close to me/ Come on
and pose slow for me/ You the realest, illest, picture
perfect, woman that i've neva seen befo promise to
make it worth it/ You deserve it/ My purpose is to satisfy
your every need/ Satisfy you mentally, especially
sexually/ Nothin but the best from me/ Come on and
enjoy tha ride/ I keep it strong all night long I'mma
make you mine/ You wanna take your time/ And I
respect your pimpin/ You workin hard you independent,
tryin to earn a livin/ And I'm tryin to beat tha system/
But I know you dig a thug/ Your cup of love is lookin
empty, let me fill it up/ Is it really what?/ I really wanna
fuck/ And I need your body I can't get enough

-Chorus-

-Bizzy Bone-

Candlelit dinners, expensive dishes, I'm thuggish
ruggish/ The definition of ballin while dippin in
Columbus/ Spittin game like holy water in my saliva/
The taste of your tongue, come let me set your neck on
fire/ Smokin chronic and Swishas I am your x-pill/ Your
body's beautiful everybody feel you for real/ We
watchin movies and fuckin close to the slidin door/ I
want you to cum with the thunder then do it once more/
I gotta be real, you love me cause I'm such a gangsta/
I'm willin to take chances, Ghetto kid like Joe Joe
Dancer/ Do you really want that ass or what? You and
your man is still beefin?/ You thinkin about me and it
needs to be able to kickin on the weekend/ Always be
my gal, always be my broad/ No matter how hard you
fuck em' you'll always be my dog/ So let me hit it from
the back one more time/ Just for old times, slap on the
magnum and go for mine (Yea)

-Chorus-
