Lightning strikes the black sky  
Wild screams in the night  
I ride through the plains  
Looking for you again  
End is near  
Time to pay back is here  
You won't escape from my  
Flashback of Anger  
Destroy you forever

Now that your time has come I can see  
What a strange dream is life meant to be  
When you got nothing more to survive  
I'll kill you tonight

What you took from me  
I'll have it back from you  
Now I'm here again  
Nothing to fear my friend  
Death strikes fast  
Just a revenge for the past  
Victim of mighty  
Flashback of Anger  
Your game is over

Now that your time has come I can see  
What a strange dream is life meant to be  
When you got nothing more to survive  
I'll kill you tonight

Now that all is said and done  
The enemy is gone  
My hatred fades away  
I'd live another day  
If only you were here  
To wipe away my tears  
I'll see you in the sun  
Revenge is done

Flashback of Anger  
Flashback of Anger

Now that your time has come I can see  
What a strange dream is life meant to be  
You got nothing more to survive  
I'll kill you tonight
