[Verse 1]

Garbage playin' on my station
Reality slaps me upside the radio
They've worn out my morbid fascination
I've seen everything there is to know
So let me go

[Chorus 1]

Tylenol, but it won't free me
Blow the bank, virgin martinis
Now I'm poor, so she won't see me
That's my problem!

[Chorus 2]

Now some inbred chicks on crack
Are rockin' out to Nickelback
This frickin' world won't cut me slack
And that's my problem!

[Verse 2]

Kick-ass party, no invitation
Don't they know it's my degeneration?
Tabloid kids, they lie through their megaphones
But I've heard everything there is to know
So let me go

[Repeat Chorus 1 & 2]

[Bridge]

Like I did when the chaos was real
But I don't wanna feel your pain
I wanna feel
But I don't wanna feel your...

[Repeat Chorus 1]

[Chorus 3]

Now some chicks with nasty breath
Are rockin' out on crystal meth
This frickin' world won't hand me death

And that's my problem!

[Coda]

I wanna feel

But I don't wanna feel your pain

And that's my problem! [x2]
