Here I am once again,  
On the threshold of something new.  
Standing my ground,  
And living my life for what is true.

Though the road may be tough,  
The hills I climb they may be steep,  
But Your words in my heart -  
I'll forever keep.

I know You're with me,  
All the days of my life.  
I know Your hand will guide me,  
We'll be together all the time.

Though the sand may shift under my feet,  
And the waves may crash from the eternal sea,  
Still your words in my heart - I'll forever keep.  
I'll let my light shine out for the world to see.

I know You're with me,  
All the days of my life.  
I know Your hand will guide me,  
We'll be together all the time.

All the time...  
Hallelujah to the King...
