It's not a kid, it's just a thing selfishness is the song you sing it's your body, it's your choice but the life inside you has a voice

the news has pulled your pride wall down now you're not the stud in town you gave him life don't kill the child just because your pride's defiled Fight to live, fight to live save a life The life you gave, this child within her He's a gift not a curse, so be a man don't be a quitter protecting life is so much better Be a man don't be a quitter, fight, be a man don't be a quitter just because this child's within her, be a man don't be a quitter
