(Jimmie Gilmore)

Did you ever see Dallas from a DC-9 at night?
Well Dallas is a jewel, oh yeah, Dallas is a beautiful
sight.
And Dallas is a jungle but Dallas gives a beautiful light.
Did you ever see Dallas from a DC-9 at night?

Well, Dallas is a woman who will walk on you when
you're down.
But when you are up, she's the kind you want to take
around.
But Dallas ain't a woman to help you get your feet on
the ground.
Yes Dallas is a woman who will walk on you when you're
down.

Well, I came into Dallas with the bright lights on my
mind,
But I came into Dallas with a Dollar and a dime.

Dallas is a rich man with a death wish in his eye
A steel and concrete soul with a warm hearted love
disguise
A rich man who tends to believe in his own lies
Dallas is a rich man with a death wish in his eyes
