Sowin' on the mountain, reapin' in the valley  
Sowin' on the mountain, reapin' in the valley  
Sowin' on the mountain, reapin' in the valley  
You gotta reap just what you sow

God gave Noah the rainbow sign  
God gave Noah the rainbow sign  
God gave Noah the rainbow sign  
There won't be water, be fire next time

There won't be water, be fire next time  
There won't be water, be fire next time  
There won't be water, be fire next time  
God gave Noah the rainbow sign

Sowin' on the mountain, reapin' in the valley  
Sowin' on the mountain, reapin' in the valley  
Sowin' on the mountain, reapin' in the valley  
You gonna reap just what you sow

Where you gonna run to when the world's on fire?  
Where you gonna run to when the world's on fire?  
Where you gonna run to when the world's on fire?  
Little darlin' pal of mine

Use your bosom for my pillow  
Use your bosom for my pillow  
Use your bosom for my pillow  
Oh, my darlin' when the world's on fire

Sowin' on the mountain, reapin' in the valley  
Sowin' on the mountain, reapin' in the valley  
Sowin' on the mountain, reapin' in the valley  
You gotta reap just what you sow

Sowin' on the mountain, reapin' in the valley  
Sowin' on the mountain, reapin' in the valley  
Sowin' on the mountain, reapin' in the valley  
You gonna reap just what you sow

Sowin' on the mountain, reapin' in the valley  
Sowin' on the mountain, reapin' in the valley

Sowin' on the mountain, reapin' in the valley  
You gotta reap just what you sow  
You gotta reap just what you sow
