Your home alone again...
You wish this pain would end...
There I go... There I go... There I go...
And Your alone...Your alone...Your alone...

I can't
See why you stay in my life...
But I can't see me through your eyes...

This room tells of lies that
Echo louder then silence
Your eyes scream. " Take me Away."
Now I'm here waiting
For another
Chance to change all that I have said...
To you...

I'm sorry I'm not there...
So how do you still care...
I don't know... I don't know... I don't know...
Your still alone... Still alone...Still alone...

I can't
See why you stay in my life...
And I can't...
But I can't see me through your eyes...

This room tells of lies that
Echo louder then silence

Your eyes scream. " Take me Away."
Now I'm here waiting
For another
Chance to change all that I have said...

This room tells of lies that
Echo louder then silence
Your eyes scream. " Take me Away."
Now I'm here waiting
For another
Chance to change all that I have said...
To you...

So I will change.
And you will be okay...
For now

This room tells of lies that
Echo louder than silence
Your eyes scream. " Take me Away."
Now I'm here waiting
For another
Chance to change all that I have said...
To you...

Your keeping me right here...
Holding on to your faith...
Your drowning all your fears/tears...
With dreams of better days...
