We walk like soldiers now,
Hands at our sides,
And my tongue's glued in my mouth,
As we fall in line...
I've tried to make a stand,
To no avail,
My words are made of sand,
And thought unreal...

Bound here by these chains,
Save yourself 'cause,
I can't lead the change
Fight your own wars!

I will not call out to you
With deaf ears you'll hear me,
Blindly we all follow you,
As you lead us to die...
Lead us to die,
Don't let me die.

As if we're all too shy,
And part of the crowd,
They let our voices die,

Without a sound.
You just ask me to make sure that
Everything's OK...
But I am no savior here,
It doesn't matter what I say...

Bound here by these chains,
Save yourself 'cause,
I can't lead the change
Fight your own wars!

I will not call out to you
With deaf ears you'll hear me,
Blindly we all follow you,
As you lead us to die...

I will not call out to you

With deaf ears you'll hear me,
Blindly we all follow you,
As you lead us to die...
Lead us to die,
Don't let me die
