I was a wild and reckless hobo left my girl and home  
Started out on a western trip all by myself alone  
My pocketbook was empty my heart was filled with pain  
Thousand miles away from home just a bummin' an old  
freight train  
Just a bummin' an old freight train oh Lord bummin' an  
old freight train  
Thousand miles away from home just a bummin' an old  
freight train

I was standing on the platform smoking a cheap cigar  
Waiting for an old feeight train to catch an empty car  
My pocketbook was empty...

I pulled my cab down over my eyes I walked up to the  
track  
I caught disturb of a sleeping car and never did look  
back  
My pocketbook was empty...
