"Cabin Home On The Hill"

Tonight I'm alone without you my dear
It seems there's a longing for you still
All I have to do now is sit alone and cry
In our little cabin home on the hill

Now someone has taken you from me
And left me here all alone
Just listen to the rain beat on my window pane
In our little cabin home on the hill.

I hope you are happy tonight as you are
But in my heart there's a longing for you still
I'll just keep it there so I won't be alone

In our little cabin home on the hill

Now when you have come to the end of the way
And there's no more happiness for you
Just let your heart drift (turn) back once more, if you will
To our little cabin home on the hill.
