Tonight as I sit by my window
I'm reading your letter so true
I'm hoping to find in your letter
Where you say I'll come back to you

Oh, come back to me little darling
I miss you each day and each night
Oh, come back to me little darling
Don't leave me alone all my life

I know I can never be happy
No matter whatever I do
I know it's harsh and lonely without you
Oh, won't you come back and be true

Oh, come back to me little darling
I miss you each day and each night
Oh, come back to me little darling
Don't leave me alone all my life

Oh, what will I do, dear without you
My life is so lonely and blue
No matter what happens my darlin'
I just can't forget loving you

Oh, come back to me little darling
I miss you each day and each night
Oh, come back to me little darling
Don't leave me alone all my life

Oh, come back to me little darling
I miss you each day and each night
Oh, come back to me little darling
Don't leave me alone all my life
