Oh, somewhere the music's playing soft and low
And a stranger holds the one that I love so
I was blind I could not see that you meant the world to
me
But like a fool I stood and watched you go

Now I'm crying my heart out over you
Those blue eyes now they smile at someone new
Ever since you went away I die a little more each day
For I'm crying my heart out over you

Each night I climb the stairs up to my room
It seems I hear you whisper in the gloom
I miss your picture on the wall and your footsteps in the
hall
While I'm crying my heart out over you

Now I'm crying my heart out over you
Those blue eyes now they smile at someone new
Ever since you went away I die a little more each day
For I'm crying my heart out over you
