Well, I've been all around this whole wide world
Been down to sunny Alabama
My mama always told me
"Son never let your deal go down"

Oh honey don't let your deal go down
Don't let your deal go down
Oh honey don't let your deal go down
Till your last gold dollar is gone

Well, the last time I seen that gal of mine
She was standing in the door
She said "Honey I'll be a long time gone

You'll never see your gal no more"

Oh honey don't let your deal go down
Don't let your deal go down
Oh honey don't let your deal go down
Till your last gold dollar is gone

Well, I'm going sown the railroad track
Gonna take my rocking chair
If there doggone blues don't leave my mind
I'm gonna run away from here

Oh honey don't let your deal go down
Don't let your deal go down
Oh honey don't let your deal go down
Till your last gold dollar is gone
