A lock of your hair and a faded red ribbon is all I have
left to remind me of you

A lock of your hair and a faded red ribbon is all I have
left of a love we once knew

You found somebody new and now I must pay
Listen here boys if you have a sweetheart
Show her you love her and make her your wife
For the lock of her hair and a faded red ribbon
Will make you unhappy for the rest of your life

Will make you unhappy for the rest of your life
[dobro]
A lock of your hair...
