

Flatt and Scruggs "Go Home"

Visit "[Go Home](#)" on MotoLyrics.com

While drinking alone in a Tavern one day
My eyes they scarcely could see
I heard a kind voice ringing so loud and clear
And here's what the voice said to me
Cho.
Go home, go home and kneel by your bedside and
pray
Go home, go home God will answer your prayers today

God sobered my mind and saved my soul
And erased my thoughts from all fears
And back to the Tavern I preached of these words
The words that still rang in my ears
Cho.

The crowd started leaving with head bowed so low
As the Bartender picked up the key
As he locked the door, he whispered these words
Was the same words that God spoke to me.

Cho
