I was a stranger, brother, right in sin
Didn't even have the love of God within
But now I've found Him and I'm glad to say
I love my Saviour more everyday

God loves His children, brother, yes I know
He will protect you anywhere you go
Just call the point and He will get you there
God will protect you, brother, anywhere

Brother, take warning while yet you have time
Don't let old Satan lead you on down the line
Just tell old Satan to stay out of your way
God loves His children, brother, everyday

God loves His children, brother, yes I know
He will protect you anywhere you go

Just call the point and He will get you there
God will protect you, brother, anywhere

I'm glad I've found and I'm on my way
I'm going to follow Jesus everyday
Nothing can change me and I'm glad to say
God loves His children, brother, everyday

God loves His children, brother, yes I know
He will protect you anywhere you go
Just call the point and He will get you there
God will protect you, brother, anywhere

God loves His children, brother, yes I know
He will protect you anywhere you go
Just call the point and He will get you there
God will protect you, brother, anywhere
