Are you going to be  
A saint on that shore  
Are the center left far behind?

Don't you think of your soul  
And want to be saved  
Don't you want to go to Heaven sometime?

Sometimes, sometimes  
I'll be going to Heaven sometime  
God is leading the way and I can't go astray  
I'll be going to Heaven sometime

God is watching each day  
He knows each time you pray  
He's counting your blessings too

Just do as He commands  
And trust His guiding hand  
And you'll be going to Heaven sometime

Sometimes, sometimes  
I'll be going to Heaven sometime  
God is leading the way and I can't go astray  
I'll be going to Heaven sometime

God has given you light  
To guide you day and night  
He is leading you by His side

He will take you away  
When it comes that Judgment Day  
And you'll be going to Heaven sometime

Sometimes, sometimes  
I'll be going to Heaven sometime  
God is leading the way and I can't go astray  
I'll be going to Heaven sometime
