Close your eyes, close the door  
You don't have to worry anymore  
'Cause I'll be your baby tonight

Well that mockingbird is gonna sail away  
We're gonna forget it  
That big fat moon is gonna shine like a spoon  
But we're gonna let it, you won't regret it

Kick your shoes off do not fear  
Bring that bottle over here  
And I'll be your baby tonight  
Shut the light, shut the shade  
You don't have to be afraid  
'Cause I'll be your baby tonight

Well that mockingbird is gonna sail away  
We're gonna forget it  
That big fat moon is gonna shine like a spoon  
But we're gonna let it, you won't regret it

Kick your shoes off do not fear  
Bring that bottle over here  
And I'll be your baby tonight  
And I'll be your baby tonight
