I used to sit alone at night and worry little darling
For I thought you meant the world to me
But now things have changed and those days are gone
forever
So I'll never shed another tear

I'll never shed another tear, now I don't care what
happens
You have proved your love untrue to me
There's nothing you can do that will ever change my
feelings
So I'll never shed another tear

With a broken heart I'll never forget, the vows we made
together
The many times you told me not to fear
But now you've forgotten and you've left me here
forever
So I'll never shed another tear
I'll never shed another tear, now I don't care what
happens
You have proved your love untrue to me
There's nothing you can do that will ever change my
feelings
So I'll never shed another tear

Now you should have told me dear that you were only
fooling
Then I'd never learn to love you so
Then I wouldn't have all these heartaches my darling
Dreading the day I see you go

I'll never shed another tear, now I don't care what
happens
You have proved your love untrue to me
There's nothing you can do that will ever change my
feelings
So I'll never shed another tear
