Now you just told me that you're leaving  
On the next train coming down  
I love you dear but I won't follow  
I just think I'll stay around

For I know someday you'll want me  
When your true love can't be found  
But if you go dear I won't follow  
I just think I'll stay around

You know my dear I'll always love you  
And I'd never let you down  
But if you go dear I won't follow

I just think I'll stay around

Someday you'll hear that whistle blowing  
On the special coming down  
You'll be looking for me baby  
But I may not be around
