Each day I get so lonely while living here below
My Saviours waiting patiently, I'm planning soon to go
I'm on a firm foundation thats built with Gods own hand
So now I started building a road to Gloryland

Chorus

I'm workin' on a road that leads to Glory
I want to hold my Saviours hand
I'm building my hope on things eternal
I'm workin' on a road to Gloryland

Oh listen to me sinner when your time comes to go
You know we have a promise while living here below
You know he suffered for our sins and died upon the
cross
For all who will believe on Him
Their soul will not be lost
