I'm goin' to Kansas City  
Kansas City, here I come  
I'm goin' to Kansas City  
Kansas City here I come

Tell them Kansas City women  
Their Kansas City daddy's comin' home  
Been on this old road travelin' night and day  
On this old road travelin' night and day

I'm goin' to Kansas City, Casey's callin' me  
I got a friend in Denver, he wanted me to stay awhile

Got a friend in Denver, he wanted me to stay awhile  
But I'm goin' to Kansas City countin' every mile

I've been hitchhikin' every day and night, yeah  
Mostly hikin' every day and night  
Just a few more miles  
Old Casey will be in sight

When they lay me down  
Beneath that cold cold ground  
When they lay this old boy down  
Beneath that cold cold ground

It'll be in Kansas City  
Casey, my old hometown
