Once upon a time you dressed so fine
threw the bums a dime in your prime
didn't you
People'd call say you're bound to fall
you thought they were all kiddin' you
You used to laugh about everybody that was hanging out
Now you don't talk so loud
now you don't seem so proud
About having to be scrounging for your next meal
How does it feel
how does it feel
with no directions home
Like a complete unknown
like a rolling stone

Princess on the steeple
all the pretty people drinkin'
thinkin' they got it made
Exchanging all kinds of precious gifts
You'd better lift your diamond ring
you'd better pawn it babe
You used to be so amused
at Napoleon in rags
and the language he used

Pull to him now he calls you
you can't refuse
When you got nothin' you got nothin' to lose
You're invisible now
you got no secrets to conceal
How does it feel
how does it feel
to be without a home
To be on your own
like a complete unknown
like a rolling stone
just like a rolling stone
