"No Mother In This World"

Visit "[No Mother In This World](#)" on MotoLyrics.com

I have no mother in this world
No mother in my home
The place don't seem the same to me
Since mother, she has gone

No mother in this world today
No one to call my hand
No one here to care for me
Till we meet in the Promised Land
I never shall forget the day
My mother said farewell
How I miss her in this world
No one, but God can tell

No mother in this world today
No one to call my hand
No one here to care for me
Till we meet in the Promised Land
