One more night the stars are in sight but tonight I'm as
lonesome as can be
Oh the moon is shining bright lightning everything
inside
But tonight no light will shine on me
Oh it's shamefull and it's sad I lost the only pal I had
I just could not be what she wanted me to be
I will turn my head up high to the dark and rolling sky
But tonight no light will shine on me
I was so mistaken when I thought that she'd be true
I had no idea what a woman in love would do
One more night I will wait for the light while the wind
blows high above the tree
I miss my darling so I didn't mean to see her go but
tonight no light will shine on me

[ac.guitar]

One more night the moon is shining bright the wind
blows high above the tree
Oh I miss that woman so I didn't mean to see her go
But tonight no light will shine on me
