Pearl, Pearl, Pearl by Lester Flatt & Earl Scruggs

CHORUS

CG

Pearl, Pearl, Pearl, come let us see our girl

G

Are you still our valentine? Do you still look so divine?

GC

Come and let us see our darlin' Pearl

C G

Pearl, Pearl, Pearl, don't give your love to Earl

G

I have got a horse and mule, Forty acres near a school

GC

We'll be happy as two bugs

Pearl, Pearl, Pearl, come be my loving girl

Don't you marry Lester Flatt, He slicks his hair with
possum fat

Change your name to Mrs. Earl Scruggs

Pearl, Pearl, Pearl, you'll get no love from Earl

This here man is such a sap, He won't hold you on his
lap

Unless you are an old 5-string banjo

Pearl, Pearl, Pearl, he's nutty as a squirrel

If you'll be Mrs. Scruggs, We'll live on kisses and hugs

Like Juliet and Romeo.
