Take me in your lifeboat, take me in your lifeboat  
It will stand the raging storm  
Take me in your lifeboat, take me in your lifeboat  
It will bear my spirit home

Now, come brothers and sisters and don't fall asleep  
But pray night and day or you'll sink in the deep  
Fathers and mothers are praying so well  
Saying Lord won't you take us in your lifeboat?

Take me in your lifeboat, take me in your lifeboat  
It will stand the raging storm  
Take me in your lifeboat, take me in your lifeboat  
It will bear my spirit home

The clouds are so heavy, the winds are so loud  
The thunders are rolling, bursting the clouds  
They pray to their sinner mates for what they have  
done  
They took the dying sinner in their lifeboat

Take me in your lifeboat, take me in your lifeboat  
It will stand the raging storm  
Take me in your lifeboat, take me in your lifeboat  
It will bear my spirit home
