'Til the end of the world rolls round, I'll keep on loving
you
As long as the sun goes up and comes down
'Til the big blue sky goes down to the ground
As long as the world goes round and around, I'll keep
on loving you

I tried to sail the sea of life, I rowed my boat alone
Your love meant nothing to me dear my heart was
made of stone
To a harbor filled with loneliness my little boat was
moored
And on the day I first met you I fell right overboard

'Til the end of the world rolls round, I'll keep on loving
you
As long as the sun goes up and comes down
'Til the big blue sky goes down to the ground
As long as the world goes round and around, I'll keep
on loving you

Whenever you're around me dear my heart just won't
be still
And when it comes to kissing you I'll never get my fill
They said I'd never settle down that I would always
roam
That I could never be the type for a loving wife and
home

'Til the end of the world rolls round, I'll keep on loving
you
As long as the sun goes up and comes down
'Til the big blue sky goes down to the ground
As long as the world goes round and around, I'll keep
on loving you

So now I know the way I felt was only selfish pride
I thought my heart was fireproof but you burned your
way inside
So tell me what I've got to do and tell me how it stands
The cards are on the table dear, my life is in your
hands

'Til the end of the world rolls round, I'll keep on loving
you
As long as the sun goes up and comes down
'Til the big blue sky goes down to the ground
As long as the world goes round and around, I'll keep
on loving you
