Come gather round people wherever you roam
And admit that the waters around you have grown
And accept it that soon you'll be drenched to the bone
If your time to you is worth savin'
Then you better start swimmin' or you'll sink like a
stone

For the times they are a changin'
[ac.guitar]

Come writers and critics who prophesize with your pen
And keep your eyes wide the chance won't come again
And don't speak too soon for the wheel's still in spin
And there's no telling who that it's namin'
For the loser now will be later to win for the times they
are a changin'
[ac.guitar]

Come senators congressmen please heed the call
Don't stand in the doorway don't block up the hall

For he that gets hurt will be he who has stalled
There's a battle outside and it's ragin'
It'll soon shake your windows and rattle your walls for
the times they are a changin'
Come mothers and fathers throughout the land
And don't criticize what you can't understand
Your sons and your daughters are beyond your
command your old road is rapidly agin'
Please get out of the new one if you can't lend your
hand
For the times they are a changin'
