'Tis sweet to be remembered on a bright or a gloomy  
day

'Tis sweet to be remembered by a dear one far away

'Tis sweet to be remembered, remembered,  
remembered

'Tis sweet to be remembered when you are far away

As I travel on this world just to soothe my rovin' mind  
And the messages I get from a dear one left behind

They were filled with sweetest words that's so touch me  
when I heard

Never never can I forget these are some things that  
she said

'Tis sweet to be remembered on a bright or a gloomy  
day

'Tis sweet to be remembered by a dear one far away

'Tis sweet to be remembered, remembered,  
remembered

'Tis sweet to be remembered when you are far away
