"Wait For The Sunshine"

Wait for the sunshine wait for the sunshine wait for the
clouds to roll away
Maybe tomorrow gone will be sorrow wait for the
sunshine to bring a brighter day
[dobro]
If sorrow and trouble you're seeing double black clouds
surround you all the time
Well don't let misfortune be too discouraging
remember tomorrow the sun will shine
Wait for the sunshine...
[harmonica]
If it seems forever since there's been laughter don't let
old misery get you down
Just keep your chin up don't ever give up tomorrow the
sunshine may come around

Wait for the sunshine...
