I fly away to heaven and I won't fall
When the angels carry me home
I want to see Jesus first of all
When the angels carry me home

When the angels carry me home
When the angels carry me home
I want to see Jesus first of all
When the angels carry me home

No more sorrow and no more pain
When the angels carry me home
I ride that heavenly glorious train
When the angels carry me home
When the angels carry me home
When the angels carry me home
I want to see Jesus first of all
When the angels carry me home

I walk Thy highway leading to heaven
When the angels carry me home
I see Jesus waiting for me in heaven
When the angels carry me home

When the angels carry me home
When the angels carry me home
I want to see Jesus first of all
When the angels carry me home
