Oft I sing, for my friends,  
When Death's, cold hand I see  
When I reach my, journey's end.  
Who will sing for me.

I wonder who, will sing for me  
When I come to cross that silent sea  
Who will sing, for me

fill in

When the crowd shall gather round  
and look down on me  
Will they turn and walk away  
Or will they sing one song for me

I wonder who, will sing for me  
When I come to cross that silent sea  
Who will sing, for me  
Who will sing, for me
