I can tell from the look in your eyes
That you still care for me
But somehow you just won't admit
And that's why I'm lonely you see

Now if you have made up your mind
And if you still want me you know
Why do you keep me in doubt?
Why don't you tell me so?

Each night, there's tears upon my pillow
And they're all because of you I know
Darling, I can't go on this way
Why don't you tell me so?
Now if you have made up your mind
And if you still want me you know
Why do you keep me in doubt?
Why don't you tell me so?

Now, there'll come a time little darlin'
When you will want me you know
But darlin', it will then be too late
For you to tell me so

Now if you have made up your mind
And if you still want me you know
Why do you keep me in doubt?
Why don't you tell me so?
