I don't want you mean mama  
There ain't no use you hangin' 'round  
For I found me another baby  
And now I am Chicago bound

You've been fooling me baby  
You've been telling me your lies  
When I thought you were an angel  
Just sent down from the skies

Don't sing those parting blues to me, sweet babe  
When I'll leave, I'll leave you sad  
Now your daddy's goin' to leave you

'Cause you treated me so bad

You've been fooling me baby  
You've been telling me your lies  
When I thought you were an angel  
Just sent down from the skies

You wouldn't give me much lovin'  
Would I stay at home at night  
Now I hear the train a comin'  
And I'll soon be out of sight

You've been fooling me baby  
You've been telling me your lies  
When I thought you were an angel  
Just sent down from the skies
