We can dance if we want to, we can leave your friends
behind
because if friends dont dance and if they dont dance,
well they're no friends of mine
SAY... we can go where we to, plave where they will
never find and we can act like we
come from out of this world, leave the old one far
behind
We can dance
Fransais!

We can go where we want to, night is young and so am
I and we can dress real neat
from our hats to our feet, then suprise them with a
victry cry
SAY...we can act if we want to if we dont nobody will
and u can act real
rude and totally remude and I can act lik an Imbusil
SAY... we can dance, we can dance everything's out of
control
we can dance, we can dance were doing it from pole to
pole
we can dance, we can dance everybody look at your
hands
we can dance, we can dance everybody's taking the
chaaaaAAnce
O well the safety dance
o yes the safety dance

we can dance if we want to, we've got all your life
inmind
as long as we abuse it never gonna lose everything will
work out right
I SAY...we can dance if we want to,we can leave your
friends behind
because if friend dont dance and if they dont dance
well they're no friends of mine
I SAY...we can dance, we can dance eerything's out of
control
we can dance, we can dance were doing it from pole to
pole
we can dance, we can dance everybody look at your

hands
we can dance, we can dance everybody's taking the
chaaaAAnce
