Chamillionare's the one night stand man, if u need it
tell her sex wit me is like a mission completed

ima get her out her clothes, conversation gets heated
then ima beat da pussy up, i gurantee it
talkin tough like tht to us, it aint nuttin to discuss, i treat
fights like my freaks and ima beat da pussy up
from the table to the rug hookin ur navel, get sum love
ready to pay to get some hoes like my label in the club
open color changin doors, gettin ready 2 get up on
some hoes
with bling like a computer screen, i put it on and then it
froze
i got tht so addicted flow, tht it's a tribute for the low,
but boyz snitch low my hitz better come get before it
goes
gauge pumps make punks keep it real they cant front
cant act like u got places, texas boyz will raise trunks
stay krunk, fake punks, talkin noise like they drunk
2 kicks, then hop on them like ATL stunts
