Never let a punk ass nigga slide, dawg

You get beat dead, that means you dead meat

That's Dallas, Atlanta, I style with them hammers

I wild witcho nanna, doggystyle on a hamper

You'll get ripped apart, that's it with darts, you kids

Pop, pop, pop, I lit the dark, from the wizard door,

come get some heart

That's courage and brain, 'caine on several strips
Not from Houston, but shit, call me 'Little Flip'
'Cuz I flip a little, fa shizzle, you flippin' nickels
When I flip coke and flip boats, come live a little
And you best be knowin', pussy still is the best thang

Any extra dough, come invest in hoe'in

But I clap that boy, kidnap and wrap that boy
Clap, we ready, I'ma mastered boy like Pastor Troy
But I'm stoned sucka, with my nigga Bone Crusher
Baby, we like to bone, all our chicks are bone crushers
We got guns in coupes, in case our sun'll roof
No basketball, when we talkin', run and shoot

So I'm outside of da club and you think I'm a punk

Aiyyo, the forty cal' is full and I'm waitin'
No matter which county I'm in DeKalb, Cobb, Fulton, or
Clayton
Muah baby, you know who it is, the kiss of death
If the world was sucka free, it just be me and my
niggaz left
I ain't neva scared, I got big hammers everywhere
In places where you need yo passport at, I'm heavy
there
It's time we get even here, when I put the game back
In it's proper perspective, this time leave it there

You can think whachu want, 'til I blow the back of yo'
brains out
And see if you could think with yo' front
Like a new single, make sure you leak for a month

Treat yo' face like a buffet, and tell my niggaz, eat
whachu want
You'ono nuthin' about puttin' a couple hundred
thousand on the table
And tell yo niggaz, keep whachu want
It's usually hate or somethin' stupid that a nigga die for
So whachu think we outside for?

So I'm outside of da club and you think I'm a punk
So I go to my loaded tech nine that's off in the trunk
I told that motherfucker, I ain't never scared
(Eastside)
I ain't never scared
(Westside)
I ain't never scared
(Southside)

I ain't never scared
(Northside)
I ain't never scared

Don't stop, get it, get it, bitches betta get up on it
Sit up on it shawty, get up on it
See when I spit up on it, shit up all over niggaz like a
Harley pick up
When I throw a get up on it
Big up, all of my niggaz that ain't scared of the hustle
Throw anotha mill up on it
I'ma cop a lotta land and I'ma cop a mountain and
throw a lil' crib up on it

Yes, I'll eat yo' food and you know I'm gonna chow
down
Mothafucka, all yo niggaz betta bow down
Mothafucka, 'fore I have to come and pow wow
Oh, fucka, I ain't playin' witcha
So I let my niggaz touch ya, it's a must and we gotta

Shatter bones in yo' body, when I bust, I holla Bone
Crusher
Let me spell it out for you homie, I hope you came
prepared
'Cuz I don't care if you live or phony, 'cuz we ain't neva
scared

Flipmode and the Dirty South niggaz know whussup
'Cuz we got you open dude
Fuck that, make a lil' sucka nigga, fallin' back
Layin' stiffer than frozen food
Two stop me means you have to shoot me
Get cake and a bag of groupies
Oh, watch niggaz acknowledge the general and all
salute me

So I'm outside of da club and you think I'm a punk
So I go to my loaded tech nine that's off in the trunk
