In that dream I'm as old as the mountains  
Still is starlight reflected in fountains  
Children grown on the edge of the ocean  
Kept like jewelry, kept with devotion

In that dream moving slow through the morning

You would come to me then without answers  
Lick my wounds and remove my demands for now  
Eucalyptus and orange trees are blooming  
In that dream there's no darkness a-looming

In that dream moving slow through the morning time

In that dream I could hardly contain it  
Courtesy of lyricshall.com  
All my life I will wait to attain it  
There, there, there

I know someday the smoke will all burn off  
All these voices I'll someday have turned off  
I will see you someday when I've woken  
I'll be so happy just to have spoken  
I'll have so much to tell you about it

In that dream I could hardly contain it  
All my life I will wait to attain it  
There, there, there

Wide-eyed walker, don't betray me  
I will wake one day, don't delay me  
Wide-eyed leaver, always going
