Written by Christine McVie.

Don't you come too close to me  
You're dangerous, can't you see  
You can make the darkness mean more  
Then it ever did  
Ever did before

It's a devil's disguise  
Angel in black  
And I recognize the face behind the mask  
It's a devil's disguise  
Angel in black  
I don't know if I want you back

You're the cool nights of the desert  
And the hot kisses of the sun  
Why is it that I don't believe you  
When you say I'm the only one  
I know I'm the lonely one

It's a devil's disguise  
Angel in black  
And I recognize the shadows from your past  
It's a devil's disguise  
Angel in black  
Don't you know it'll never last  
The face behind the mask

There will never be a second chance for you  
Oh No  
Not for you

It's a devil's disguise  
Angel in black  
And I recognize the face behind the mask  
It's a devil's disguise  
Angel in black  
Don't you know it'll never last  
The face behind the mask  
It's a devil's disguise

Angel in black  
And I recognize the shadows from your past  
It's a devil's disguise  
Angel in black  
I don't know if I want you back  
I don't know if I want you back  
Don't you know it'll never last  
The face behind the mask
