Do you always trust your first initial feeling. Special
knowledge, holds
True, bears believing. I turned around and the water
was closing all around,
Like a glove, like the love that has finally, finally found
me. And I knew in
The crystalline knowledge of you. Drove me through the
mountains, through the
Crystal like a clearwater fountain. Drove me like a
magnet. To the sea. To
The sea. To the sea yeah.
How the faces of love change, turning the pages, and I
have changed, oh but
You, you remain ageless. I turned around and the
water was closing all
Around, like a glove, like the love, that has finally finally
found me. And I
Knew in the crystalline knowledge of you. Drove me
through the mountains,
Through the crystal like a clearwater fountain. Drove
me like a magnet. To
The sea. To the sea. To the sea yeah. To the sea yeah.
yeah. yeah. i turned
Around n the water, was closing around me. i turned
around, and the water was
Closing around me. sea. sea. doo doo doo doo doo
doo doo. doo doo doo doo doo
Doo doo. I turned around n the water, was closing
around me. ah ah. ah, ah.
Ooooooohh around me, like a, glove around
me...ahhhhhh around me. ooh ooh
Around me. I turned around, the water was closing
around me.
