Written by Danny Kirwan.

Help me baby  
Help me take my blues away  
Help me baby  
Help me take my blues away  
Wake up one morning  
Feel good one sunny day

Times I've wondered  
Why it is a lonesome day  
Times I've wondered  
Why it is a lonesome day  
I see you walking  
See you walking away

All I want from you  
Is more then I can do  
There's one thing that I know  
I'll never let you go  
Although the people say  
I shouldn't treat you this way

Help me baby  
Help me take my blues away  
Wake up one morning  
Feel good one sunny day

All I want from you  
Is more then I can do  
There's one thing that I know  
I'll never let you go  
Although the people say  
I shouldn't treat you this way

Help me baby  
Help me take my blues away  
Wake up one morning  
Feel good one sunny day
