Written by Peter Green.

Watch out for me, woman  
And don't mind nobody else  
Watch out for me, woman  
And don't mind nobody else  
Ain't got no crystal ball  
But the future ain't hard to tell

Break:

I love the woman  
I just can't stand to leave her be  
I love the woman  
I just can't stand to leave her be  
Now we got to get married  
An' might even raise a whole family

Watch out for me, woman, an'  
And don't mind nobody else  
Watch out for me, woman  
And don't mind nobody else  
Ain't got no crystal ball  
But the future - ain't hard to tell
