Well it's time to say goodnight  
And finally turn out the light  
How do I say in some simple way  
How much you have been on my mind?

But I have to let you go  
It's time to move on, don't you know?  
But you can rely, on a love that won't die  
For haven't I told you so

So let's stop before it's too late  
And leave it all up to the fates  
'Cause in spite of the heartaches  
The troubles in love  
I'd do it all over  
(Do it all over)  
Do it all over again

Each of us and everyone  
Carries a burden of love  
But as far as I go, in my heart I know  
It's you I'll be thinking of

So what is there left to say  
As I see us drifting away  
You can always depend, on a love that won't end  
Won't you think of me, think of me that way?

So let's stop before it's too late  
And leave it all up to the fate  
'Cause in spite of the heartaches  
The troubles in love  
I'd do it all over again

Well it's it's time to move on to the rain  
And finally break the chain  
In spite of the heartaches  
The troubles in love  
I'd do it all over  
(Do it all over)  
Do it all over again  
Stop before it's too late

'Cause in spite of the heartaches  
An' troubles in love  
I'd do it all over again  
(Do it all over)  
I'd do it all over again
